## INTRODUCTION

Vivekananda's ideal "Education is the manifestation of perfection already in man" was sowed by our founder principal Prof. A.L. Patra. A number of well-wishers of Sonamukhi Block joined their shoulders with Prof. Patra unconditionally. Their only aim was alround enlightenment through proper education, especially to its generation learner.

The objective of this institution is imparting three-year Under Graduate Honours and Programme courses in the streams of Arts, Science and Commerce to the students year after year. Besides this main objective, making man in complete sense through NCC, NSS, Sports, Cultural Activities and various co-curricular activities under the umbrella of this knowledge centre, is the motto of this institution.
