Meeting Resolution.

Date: 16/12.2022.

Place: F-2 (Seminar Hall)

The semester-wise Guardians Meet of odd sem of 2022-23 session was presided over by the honourable principal of Sonamukhi College. The welcome speech which was cordially delivered by principal sir, expressed that the guardians should open freely about the progress of their wards who are reading in our college. In a nutshell, he gave a pen-picture of the facilities available in our college. He also urged the parents and the students to utilize the services ready for use. The guardians were again and again urged to bestow suggestions, advices, ideas for the development of the college as well as for the smooth progress of the college. A grave concern was also verbalized by the principal sir for the irregularity of some students in attending classes.

As the guardians were asked to utter their valuable opinions, most of the guardians manifested their genuine satisfaction so far the academic, administrative and co-curricular activities of our college are concerned. One guardian expressed his concern for incompleteness of syllabus of Philosophy Department. As the classes of 1st Semester (his son reads in 1st Sem) was commenced by Bankura University a bit later, the inconvenience caused. The assurance of equipping with the syllabus, was also given to him.

The faculty members present in the meeting encouraged the guardians and students to attend classes regularly. They also prompted the students to feel free to ask questions and other academic issues to their teachers. The faculties also promised that they would leave no stone unturned for the upliftment of the students.

Finally, the parents and guardians again were requested to attend the next Guardians Meet to make it a grand success.

As there was no issue left, the meeting ended with thanks giving ceremony.
