FROM THE DESK OF THE PRINCIPAL ---

Convergence of thoughts was incubated in the decade of sixty. Requirement of opportunity for cultivation of education was sounded among the then people. Platform for higher Education in this reserved constituency (Sonamukhi AC 258) was created. A number of steps had been adopted by The University of Burdwan, Department of Higher Education of Government of West Bengal and UGC in course of time.

Catering of aspiring students of Sonamukhi Block and associated areas of the Bankura District has been going on as per the instruction from DPI and affiliating Bankura University at present. The students of this area are continuing to compete with the rest of the academic spaces of our country in spite of various limitations. A number of modifications in academic procedures have been implemented earlier satisfactorily. Now the year 2023 is ready to implement NEP 2023. The College is a co-educational one having 18 departments of Arts, Science and Commerce.

The Motto of the College is to promote higher education to the students of this area and its surroundings. Needless to say regarding the indomitable spirit and spontaneous enthusiasm of the faculty members and support staff of the college for the overall development of the students. Consequently, taking special initiatives for the development of the underprivileged students have become possible without any doubt.

The college has achieved its name as an altar of higher learning in the tune of time. The increase in students' strength year after year implies its own meaning. Eventually, the students make us elated with their remarkable progress and success in the field of education and in various extra-Curriculum windows like NCC, NSS, Magazine, Youth Parliament, Cultural Events and Sports. The college is proud to mention some of these: 1st position in West Bengal on National Voters' Day Debate Competition-2023 (Arpita Gayen – History Dept.), 2nd Position in ECI Essay Writing Competition-2023, Bankura District Level (Moubani Banerjee, Social Work Dept.), successful completion of the National Integration Camp-2023 at Sri Jagannath Veda Karmakanda Mahavidylaya, Puri by Sangeeta Das, Physical Education Dept. & NSS and at The University of Burdwan by Taniya Khatun, Physical Education Dept. & NSS, noticeable Success in Adventure Camp-2022, Manali by Govinda Roy, Social Work Dept. and NSS.

The college ensures a suitable environment for the newcomers who are going to be admitted here in 2023-24 academic session for achieving their goals in different vistas and thus they will add new feathers to the crown of the college as well as to the society.

Dr. Bappaditya Mandal
Principal
Sonamukhi College.

LOCATION

Sonamukhi College, the pride of Sonamukhi, is on the state highway connecting Bishnupur & Durgapur and around 1 km away from the century-old Sonamukhi Municipality situated in the heart of the town. The college is well-connected with Bankura Sadar, Burdwan Sadar, Bishnupur Subdivision, Durgapur Subdivision and other Blocks of Bishnupur Subdivision of Bankura district. It is also in smooth connection with Bankura, Burdwan and the state capital Kolkata by the Bankura-Masagram train line. Sonamukhi Forest Range is within a stone's throw of our college. Irrigation Department, Block Development Office, Forest Department, Block Land and Revenue Office, Athena School, Athena D.Ed. College, Athena B.Ed. College and Satsanga Ashram of Sri Sri Thakur Anukul Chandra encircle our sacred college.

HISTORY

In the glorious year of 1966, some noble souls assembled to lay the stone of Sonamukhi College under the leadership of Prof. Anantalal Patra. Late Bishnupada Dey and Late Shaktipada Dey extended their helping hand unconditionally by donating 5 acres land for the foundation as well as construction of the college. A large number of people stretched their kind hand by providing financial support for the establishment of the college. Irrespective of caste, creed, financial condition, the people showed their generosity by supporting the noble task with happiness and smile. The collective effort of the people belonging to all levels of society made it possible, the inception of Sonamukhi College as a holy place of higher education.

Sonamukhi Block and its adjacent areas were densely populated. Poverty, ignorance, illiteracy, superstition and orthodoxy were their permanent companions. The initiative of imparting education to the first generation innocent learners of these areas was started in the three rooms of Sonamukhi Bindubasini Jubilee High School. The incessant and unflinching efforts achieved perfection on 17th August 1966 as the much expected approval letter from "The University of Burdwan" had been reached our college. Prof. Anantalal Patra, the founder principal, is no more with us but in all the stones, bricks, woods, plants and in everything within the college, his presence is felt, his contribution is realized. The degree of completeness in recognition was achieved in the later stage i.e. both 2(f) and 12B from UGC.

AN OVERVIEW OF THE COLLEGE:

Handful number of students started their higher education in the light of Arts and Commerce Stream and now the College has turned into a matured tree having 18 branches in the fields of Science, Arts and Commerce. The college is now one of the premier institutions of higher education in general degree course under Bankura University.

Sonamukhi College, one of the reputed institutions of higher learning in Bankura District, is a lucrative college for the students of not only Sonamukhi block but also the blocks of its proximity and even Bankura Sadar. The college has earned good reputation for academic excellence, pleasing environment, eco-friendly geographical ambiance, cultural acumen and sports-spirit. The students can learn here in a friendly manner and they can exchange their views with the teachers without any hesitation. What is more, they are always inspired and motivated to take part in all kinds of cultural activities, sports, debates etc.

A new opening is introduced in 2019-20. The Centre of Netaji Subhas Open University is dedicated for those who belong to under privileged section in the light of education. Both UG & PG courses are available. The list of courses through this Centre can be viewed through website. The college has also started Certificate courses on "**Spoken Sanskrit**", "**Communicative English**" and "**Yoga**" for the students of the college.

VISION

Learning is a pleasure. Education in a joyful way is the Vision. To create an environment that will be conductive to learning and innovation. Provision of proper infrastructure and infusion of adequate opportunities will facilitate the students to step into higher studies. The College has concentrated into this vision. Besides, creating of career oriented comprehensive education, ambience of virtual/e-facilities for motivation of students is a need indeed for understanding the mysteries of existence, discovery of scientific truths and realization of the philosophy of this wonderful universe. Through our ideal system of teaching and regular interactions, they will learn social and moral values, and thus, they will remain indebted forever to this institution in particular and to the society in general. Cultivation of education to those who are deprived from regular study is the social responsibility. Extension of activities in collaboration with Corporate for those, who are away from education, is also a vision.

Note-1: Every student have to take one course from Major Discipline, one course from Minor Discipline, one Multi-Disciplinary Course, one Ability Enhancement Course (AEC), one Skill Enhancement Course (SEC) and one Value Added Course in the 1st Semester. However during Admission Procedure, applicants have to select only the Major Subject and Minor Subject in the online admission portal. Please see the course structure at the end of this prospectus.

Note-2: The Intake capacities for minor courses are also limited. If a student cannot select a particular Minor subject in the portal during subject selection, it means the intake capacity for that particular subject has already been fulfilled. So, the student will be required to select an alternative subject as the minor subject.

Educational Tour, Dept. of Physics, 2023

Details of Merit List Generation:

Subject wise and category wise merit list(s) will be published on the online admission website on the stipulated date & time. The merit list will be auto-generated depending on the seat capacity of a particular course and based on the following ranking rule. An SMS and email will be sent to the applicant's mobile and email id. After receiving an SMS, the applicant has to choose one Major subject (if the name of the applicant appears in the merit list of more than one subject) for acceptance in the online admission process within the stipulated date and time. If an applicant selects one subject through an online process his/her name (if appears in the merit list of other subjects) will be automatically removed from other course(s). After getting a chance to a particular course, if a candidate does not accept it in the online portal within the stipulated date and time, his/her chance will automatically be gone and he/she will not be considered further in the following merit lists for that particular course. College authority will not be responsible for non-delivering of messages/mails in electronic mode for any reason. So, candidates are

advised to log in to their accounts and check their merit positions frequently in their own interest so that they do not miss any chances.

Rules for preparing Merit List:

Merit lists will be prepared based on the total marks of best five subjects obtained in Higher Secondary or Equivalent Examination (First language will be counted twice if only four subjects are offered by any recognized Board/Council in H.S. or equivalent examination) & the highest marks among the concerned base subject(s) available in the Eligibility Criteria table.

We and ours' – Beyond the Teaching-Learning-Evaluation:::

A series of national & International webinars: Conducted by each and every departments of this college.

    A new horizon, beyond the syllabus, for students, is evidenced in the air, in the web, in some social media. Some of the ideas: Quiz, Painting, Drawing, Slogan, food preparation and photography competitions. A tremendous amalgamation of Guests, resource persons, delegates, participants, judges, conveners and virtual platforms throwing out the constraints of language, culture and region.
