FROM THE DESK OF PRINCIPAL

"EDUCATION IS THE MANIFESTATION OF PERFECTION ALREADY IN MAN"-- **Swami Vivekananda.**

The journey of Sonamukhi College, with the aim for providing platform of higher education, has been started in 1966 to cater the need of the aspiring students of Sonamukhi Block and its adjacent blocks which are semi-urban and rural. The College was initially affiliated to The University of Burdwan till the Academic Session 2016-2017. The affiliation is extended by The Bankura University since Academic Session 2017-18. It is a co-educational U G college situated in the lap of nature beside the Sonamukhi-Bishnupur State Highway.

The Motto of the College is to promote higher education to the students, who generally belong to agricultural & weaving background, with the help of the indomitable spirit and spontaneous enthusiasm of the faculty members of different departments of the college. With the passage of time it has achieved its name as an altar of higher learning not only for the local students but also to those in far extended region. Consequently, the students' strength is increasing year after year. The students make us elated with their remarkable progress and success in the field of education and in various extra-Curriculum windows like NCC, NSS, Magazine, Youth Parliament, Cultural and Sports.

The college ensures the suitable environment to the new-comers, who are going to have their admission here in 2021-22, for achieving their goals in different vistas and thus they will add new feathers to the crown of the college as well as to the society.

Let us follow Gurudev,

"THE HIGHEST EDUCATION IS THAT WHICH DOES NOT MERELY GIVE US INFORMATION BUT MAKES OUR LIFE IN HARMONY WITH ALL EXISTENCE"

Dr. Bappaditya Mandal
Principal
Sonamukhi College

LOCATION

Sonamukhi College, the pride of Sonamukhi, is on the state highway connecting Bishnupur & Durgapur and around 1 km away from the century-old Sonamukhi Municipality situated in the heart of the town. The college is well-connected with BankuraSadar, BurdwanSadar, Bishnupur Subdivision, Durgapur Subdivision and other Blocks of Bishnupur Subdivision of Bankura district. It is also in smooth connection with Bankura, Burdwan and the state capital Kolkata by the Bankura-Masagram train line. Sonamukhi Forest Range is within a stone's throw of our college. Irrigation Department, Block Development Office, Forest Department, Block Land and Revenue Office, Athena School, Athena D.Ed. College, Athena B.Ed. College and Satsanga Ashram of Sri Sri Thakur Anukul Chandra encircle our sacred college.

HISTORY

In the glorious year of 1966, some noble souls assembled to lay the stone of Sonamukhi College under the leadership of Prof. Anantalal Patra. Late Bishnupada Dey and Late Shaktipada Dey extended their helping hand unconditionally by donating 5 acres land for the foundation as well as construction of the college. A large number of people stretched their kind hand by providing financial support for the establishment of the college. Irrespective of caste, creed, financial condition, the people showed their generosity by supporting the noble task with happiness and smile. The collective effort of the people belonging to all levels of society made it possible, the inception of Sonamukhi College as a holy place of higher education.

Sonamukhi Block and its adjacent areas were densely populated. Poverty, ignorance, illiteracy, superstition and orthodoxy were their permanent companions. The initiative of imparting education to the first generation innocent learners of these areas was started in the three rooms of Sonamukhi Bindubasini Jubilee High School. The incessant and unflinching efforts achieved perfection on 17th August 1966 as the much expected approval letter from "The University of Burdwan" had been reached our college. Prof. Anantalal Patra, the founder principal, is no more with us but in all the stones, bricks, woods, plants and in everything within the college, his presence is felt, his contribution is realized. The degree of completeness in recognition was achieved in the later stage i.e. both 2(f) and 12B from UGC.
