## FROM THE DESK OF PRINCIPAL

“EDUCATION IS THE MANIFESTATION OF PERFECTION ALREADY IN MAN”-- **Swami Vivekananda.**

The journey of Sonamukhi College, with the aim for providing platform of higher education, has been started in 1966 to cater the need of the aspiring students of Sonamukhi Block and its adjacent blocks which are semi-urban and rural. The College was initially affiliated to The University of Burdwan till the Academic Session 2016-2017. The affiliation is extended by The Bankura University since Academic Session 2017-18. It is a co-educational U G college situated in the lap of nature beside the Sonamukhi-Bishnupur State Highway.

The Motto of the College is to promote higher education to the students, who generally belong to agricultural & weaving background, with the help of the indomitable spirit and spontaneous enthusiasm of the faculty members of different departments of the college. With the passage of time it has achieved its name as an altar of higher learning not only for the local students but also to those in far extended region. Consequently, the students' strength is increasing year after year. The students make us elated with their remarkable progress and success in the field of education and in various extra-Curriculum windows like NCC, NSS, Magazine, Youth Parliament, Cultural and Sports.

The college ensures the suitable environment to the new-comers, who are going to have their admission here in 2021-22, for achieving their goals in different vistas and thus they will add new feathers to the crown of the college as well as to the society.

Let us follow Gurudev,

“THE HIGHEST EDUCATION IS THAT WHICH DOES NOT MERELY GIVE US INFORMATION BUT MAKES OUR LIFE IN HARMONY WITH ALL EXISTENCE”

## LOCATION

Sonamukhi College, the pride of Sonamukhi, is on the state highway connecting Bishnupur & Durgapur and around 1 km away from the century-old Sonamukhi Municipality situated in the heart of the town. The college is well-connected with Bankura Sadar, Burdwan Sadar, Bishnupur Subdivision, Durgapur Subdivision and other Blocks of Bishnupur Subdivision of Bankura district. It is also in smooth connection with Bankura, Burdwan and the state capital Kolkata by the Bankura-Masagram train line. Sonamukhi Forest Range is within a stone's throw of our college. Irrigation Department, Block Development Office, Forest Department, Block Land and Revenue Office, Athena School, Athena D. Ed. College, Athena B.Ed. College and Satsanga Ashram of Sri Sri Thakur Anukul Chandra encircle our sacred college.

## HISTORY

In the glorious year of 1966, some noble souls assembled to lay the stone of Sonamukhi College under the leadership of Prof. Anantalal Patra. Late Bishnupada Dey and Late Shaktipada Dey extended their helping hand unconditionally by donating 5 acres land for the foundation as well as construction of the college. A large number of people stretched their kind hand by providing financial support for the establishment of the college. Irrespective of caste, creed, financial condition, the people showed their generosity by supporting the noble task with happiness and smile. The collective effort of the people belonging to all levels of society made it possible, the inception of Sonamukhi College as a holy place of higher education.

Sonamukhi Block and its adjacent areas were densely populated. Poverty, ignorance, illiteracy, superstition and orthodoxy were their permanent companions. The initiative of imparting education to the first generation innocent learners of these areas was started in the three rooms of Sonamukhi Bindubasini Jubilee High School. The incessant and unflinching efforts achieved perfection on 17<sup>th</sup> August 1966 as the much expected approval letter from “The University of Burdwan” had been reached our college. Prof. Anantalal Patra, the founder principal, is no more with us but in all the stones, bricks, woods, plants and in everything within the college, his presence is felt, his contribution is realized. The degree of completeness in recognition was achieved in the later stage i.e. both 2(f) and 12B from UGC.

## **AN OVERVIEW OF THE COLLEGE:**

## VISION

Learning is a pleasure. Education in a joyful way is the Vision. To create an environment that will be conducive to learning and innovation. Provision of proper infrastructure and infusion of adequate opportunities will facilitate the students to step into higher studies. The College has concentrated into this vision. Besides, creating of career oriented comprehensive education, ambience of virtual/e-facilities for motivation of students is a need indeed for understanding the mysteries of existence, discovery of scientific truths and realization of the philosophy of this wonderful universe. Through our ideal system of teaching and regular interactions, they will learn social and moral values, and thus, they will remain indebted forever to this institution in particular and to the society in general. Cultivation of education to those who are deprived from regular study is the social responsibility. Extension of activities in collaboration with Corporate for those, who are away from education, is also a vision.

## MISSION

- To make a true human being in every angle of life and its outlook is the main mission.
- To provide higher education as well as skill oriented facilities to all the students.
- To uplift the students, who are deprived, underprivileged and economically weaker.
- All-round development of body, mind and soul of the students for sailing the vessel of life with courage, confidence, determination and patience.
- To inculcate reverence, passion, consciousness and tenacity among the students.
- Last but not least, to make strong and determined character to make them a good citizen for the betterment of mankind.

## OBJECTIVE

Imparting class room education to the students of various Honours and Programme courses under the stream of Science, Arts and Commerce is the objective. Subsidiary objectives are improvement in campus atmosphere and canteen facilities. Beside the increase in number of books for new CBCS syllabi, provision for e-resources in teaching-learning-evaluation has been introduced to overcome the COVID-19 pandemic situation. In the current situation, ICT based classroom teachings have also been implemented. A new dimension in history of Sonamukhi College has been achieved. The fact is the initiation of amalgamated activity with corporate spectrum in this very academic session.

## Running of regular activities during pandemic situation

We all know that the whole world has been suffering from the SARS COV-19 virus for the last one and a half years. It has forced the educational institutes to disallow the physical presence of the students into the institute premises. The education system has changed thereafter dramatically with the distinctive rise of e-learning, whereby teaching is undertaken remotely and on digital platforms. In this situation, the faculties of Sonamukhi College have outstretched their hands on teaching-learning procedures and other extracurricular activities through online mode. First of all, semester-wise and category-wise (Hons./Prog./GE) WhatsApp groups have been created. Different necessary information are provided to the students through these WhatsApp groups along with the notices served on the college website. The students can easily interact with the departmental teachers through WhatsApp groups. Classes are also being held routine-wise and regularly in Online mode. Every student has an account in the ERP system of the college website. The faculties upload the respective 'Google Meet' links for online classes on the college website. Students can find the links in their accounts and attend the respective classes using the links. Study materials and assignments are also provided to the students through the college website. Again, every department conducts internal examinations in Online mode through the college website.

The central library of the college has taken great initiatives to provide various e-learning resources to the students. Students have now accounts in N-LIST (Inflibnet) and NDLI (IIT-KGP), and can access the resources available there. A Telegram Group has been created by the library authority with all the students to assist them.

Apart from regular teaching-learning activities, several cultural programs have also been arranged in Online mode during the lockdown period by various departments in the college. Programs, like, Rabindra Jayanti celebration, Mock Parliament, Independence Day celebration, quiz competition, Yoga Day celebration, Birth Anniversary of Subhas Chandra Bose, Republic Day celebration, Birth and Death Anniversary of William Shakespeare, etc. have been held over Google meet platform. It is our pride that every department of our college has organized webinars on very contextual and relevant themes. Online activities of NSS and NCC volunteers are worth mentioning as they extend their hands on various kinds of deeds during the pandemic situation. They have campaigned door to door, warned people about Covid 19 virus, observed International Women's Day by showing posters, and so on.

## Extension in College infrastructure in recent times

This year our college has purchased 1.4049 acres of land just beside the southern boundary of our college. Definitely, this will help in developing and strengthening the current infrastructure of this college in near future. Also, the extension of the college building in the form of third floor has been feasible in last academic year. Currently, construction work is also in progress on the first floor of central library of our college to make it two-storied. Again, we must not forget to mention that the new administrative building of the college has been functioning since the academic year 2018-19.

### **Inaugural moment on the day of land purchase**

The college shows its gratitude to Dr. Sunita Bandyopadhyay, formerly assistant professor of our college, for her free-hand donation of Rs.50000/-(Fifty thousand only) in memory of her father for opening a resource center for the unemployed youth of the college and its surroundings.

The college is also very grateful to Mr. Bishu De, former general manager of KJS Cement Factory, Satna, Madhya Pradesh for his valuable donation of Rs.4000/-(Four thousand only) for motivating the students in engaging the cultural activities.

The college is very hapless as in the previous academic session, it has lost three academic giants namely, Prof. Dilip Dutta, ex-lecturer, Selection Grade of History, Dr. Dharmadas Banerjee, ex-associate professor of English, Sri Debabrata Karmakar, ex-Cashier and Sri Sambhu Bauri, ex-Bearer of this college. All the teaching, non-reacting staff and the students of our college show heart-felt condolence for these departed souls. Again, the college takes oath not to forget their generous contribution for the progress of the college. We are extremely sorry for such a loss.

The college sincerely expresses its deeply felt gratitude to late Mr. Bishnupada De and late Mr. Saktipada De for donating five acres of land to set up the college campus at the initial stage of the college. The college has named one part of its main academic building as 'Land donor Bishnupada De Block' and another part as 'Land donor Saktipada De Block' to pay homage to their holy initiatives and progressive attitude. Their name will remain ever written in golden letters in the pages of the history of our Sonamukhi college.
