Preamble

Sonamukhi College is situated at Sonamukhi town, a municipality in Bankura District of West Bengal. It is about 30 Kms from Bishnupur, the terracotta kingdom. It is blessed to reside in the lap of Sal forest and the rest sides by agro-based areas. The sonamukhi forest range is a tropical dry deciduous forest under Bankura North Forest Division, West Bengal which evident a large variety of eco-specimens including services.

About The Seminar---

Life on earth is sustained by plants no doubt. They are basis for bio-spheric eco-system, have a profound impact on atmospheric chemistry and supporting other organisms. Knowledge cultivation on Plants and its eco-system has got its importance since the days of Basundhara Summit (3-14 June 1992 at Rio de Janeiro). Sonamukhi College has also participated since long but the newly formed Eco-club has taken initiative through this new horizon.
