Madam/Sir,

I hope this message finds you well.

The students listed below were found to be short of one mark in a paper from any of the preceding semesters (I–VI). As a result, they were unable to obtain the degree in their respective subjects.

As directed by the competent authority, one grace mark has been awarded to these students, thereby making them eligible for their degrees.

Some students from the list have either appeared in the SNC examination or applied for PPR. If they wish to accept the outcome (increase/decrease) of those processes, they must apply to the University through the proper channel. In such cases, the University will revoke the earlier result, and the updated result will be published in due course after the completion of the said processes.

The List of Honours Candidates who have appeared in the UG 6th Semester 2024-25 and had a shortage of 1 marks to qualify for the Degree
